**F#m**

Is anybody out there?

**A** **F#m**

I don't hear a heartbeat

I wanna hear a heartbeat

**A** **F#m**

If anybody's out there

**A**

**I wanna hear a heartbeat**

**F#m**

**So I can know I'm breathing**

**A**

**I wanna hear a heartbeat**

**F#m**

**If anybody's out there**

**F#m**

I taste it in the ocean

**A** **F#m**

I feel it in the breeze **(x2)**

## CHORUS

**F#m**

I smell it in the fire

**A** **F#m**

I see it in the trees **(x2)**

## CHORUS

**F#m**

I hear it in your voices

**A** **F#m**

It lives inside your soul **(x2)**

## CHORUS

**A**

I taste it in the ocean, I feel it in the breeze

**F#m**

I smell it in the fire, I see it in the trees

**A**

I hear it in your voices

It lives inside your soul

**F#m**

I hear it in our voices

**A**

It lives inside your soul

**F#m**

And now I hear a heartbeat

**F#m**

And now I hear your heartbeat

**F#m**

And now I hear our hearts beat
