 Ho-----ho----- Ho-----ho-----

**C** **F**  
 When I left home I was selfish and I angry I was running for my life  
**Am** **F**  
 I had to escape the hurt and the hate after I took what was mine

**C** **F**  
 Now the sun has set upon me I think I'll stop for the night  
**Am** **F**  
 The stones at my feet will come into need lay my head down, I am tired

**G** **F**  
 I dreamed I climbed a ladder closer to heaven with every rung  
**G** **F**  
 There were angels all around going up and going down  
**G** **F** **C**  
 You were in this place and I didn't know

**C** **F** **C** **F**  
 Home, home. Home, home.

**C** **F**  
 When I woke up I was scared and anxious unsure of what I saw  
**Am** **F**  
 I picked my head off the stone found a place of my own here with You I can go home

**C** **F**  
 If home is where the heart is I left my heart at home  
**Am** **F**  
 And I should have know I wasn't alone I'm the last one to know
