G Em C

When I die give what's left of me away

D

To children and old men that wait to die.

G Em C D

And if you need to cry, cry for your brother walking the street beside you.

C D

And when you need me put your arms around anyone

C D

And give them what you need to give me. **(x2)**

G Em

I want to leave you something,

C D

Something better than words or sounds.

G Em

Look for me in the people I've known or loved

C D

And if you cannot give me away

C D G

At least let me live in your eyes and not in your mind.

G Em

You can love me best by letting hands touch hands

C D

And letting go of children that need to be free.

G Em

Love doesn't die, people do.

C D

So, when all that's left of me is love, **(x3)**

G

Give me away.
